Kim will be deepening your experience in managing your hormones while teaching you the magic and wisdom of your own body to balance your metabolism and live in harmony with your current living environment. We so often feel like we need to change our external environment to feel better. Kim will teach you how to help your body find its own balance from within! These methods are based on Donna Eden's Energy Medicine for Women. You will learn how to improve and move your energy with simple techniques. This workshop will give you a virtual tool box to quickly kick start your hormone system, mobilize your metabolism, and get your aliveness blooming!!

LEARN from Kim Wedman... one of Donna Eden's most experienced practitioners... more than 25 years of experience! For more information: www.EnergyMedicineUSA.com
